

# Handylectric™

Economical Price – Quality Features

Handylectric Handy-Stand

## Specifications:

### Motor:

All ball-bearing, double-insulated, reversible motor with variable speed control; 0-500 rpm. 230 and 240 volt units available.

### Drum:

Heavy gauge stamped aluminum with inner drum to prevent cable tangling.

### Capacity:

50 ft. of 1/4" or 5/16" cable; 35 ft. of 3/8" cable. All cables are left hand wound and reinforced with a wire rope center.

### Cutter Set:

See page 34.

### Chuck:

Patented collet-type with tightening handle.

### Grip Shield:

Makes handling easier.

The Handylectric is a tough, easy to use tool for cleaning lines up through 3". It can use all of the accessories available for the Super-Vee, except the plastic cartridges.

Cables are gripped securely by a collet chuck equipped with a Chuck Tightening Handle, for easy tightening even with slippery hands.

The variable speed control motor lets you start at low speed to eliminate starting "kick". Then run at whatever speed is best for the job.

The large, comfortable Grip Shield makes handling easier. The stamped aluminum drum can't rust or crack and is extremely resistant to dents.

CAA Closet Auger Attachment

Guides 1/4" or 5/16" cable into bowl.

MCC Carrying Case

For Super-Vee, Power-Vee and Handylectric.
